AUGUST 22 – OCTOBER 31

Quiet time is really good for us so we can think, refresh and pray. But the feeling of being alone can make us feel sad. God did not make us to be alone! He wants us to have relationships with our families and communities. He wants us to find our talents and use them in His church! God created YOU to belong.

HEY KIDS!

Did you know it's really good to worship together? We see people who are younger than us, older than us, different from us, and our brothers, sisters and friends, all praising God together. That's pretty cool! And even though you're a kid, you can learn and grow in your friendship with God by worshipping with your family every week.

This guide will help you follow along. Keep it by the TV, or if you come to church, there will be a copy in your worship bag. Listen to the songs, the Scripture and the sermon. Listen carefully and make notes of words that stick out to you, questions you have, or something you didn't understand. Then ask your parents or another trusted adult for the answer. Your faith will grow when you listen to God!

To learn more about the latest news and fun events going on in Family Ministries, scan this code and it will take you there!

We are praying for your time with Jesus, and can't wait to see how your family grows closer to each other and to God.
